

## 2016 One Design Series Notice of Race

The Lake Washington Sailing Club invites you to our One-Design Series of regattas. The One-Design Series develops one-design fleet and open class small sailboat racing. Washington Lake is located at the turning basin for the Port of West Sacramento. You can expect afternoon delta breezes at around 10-12 knots with an occasional 20-knot day. The cool delta breeze makes sailing at Lake Washington a welcome relief from the 100-degree summer temperatures, yet the warm water keeps the wetsuit in the locker. Our facilities include a clubhouse with large deck, restrooms, a launch ramp, and a 2000-lb. capacity hoist. These regattas are open to any centerboard sailboat or pre-approved keelboat up to 21 feet in length.
