

## **2015 One Design Series Notice of Race**

The Lake Washington Sailing Club is hosting our five race, One-Design series. The One-Design series is designed to encourage the development of one-design racing. Lake Washington is located at the turning basin for the Port of Sacramento. You can expect the **afternoon** delta breeze to be around 10-12 knots with an occasional 20 knot day. The cool delta breeze makes sailing at Lake Washington a welcome relief from the 100 degree temps that fry the rest of the Sacramento area, yet the warm water keeps the wetsuit in the locker. There really is no better time to sail at Lake Washington. Our facilities include a clubhouse with a large deck, a launch ramp, and a six hundred pound capacity hoist. This regatta is open to any centerboard sailboat under 20ft in length.
